## Message from the Organiser

Our 4<sup>th</sup> eMagazine to celebrate another successful Gold Coast Open. A total of 444 competitors from all States of Australia participated at the 6<sup>th</sup> Gold Coast Open. A record 4 Overseas countries; NZ, PNG , USA & Solomon Islands also participated.

International, national and state champions from all over the country were back again. The best of STA and TA were in attendance as everybody enjoyed the friendly atmosphere. With the unification of Taekwondo in Australia we believe we will achieve our maximum of 500 competitors next year. Jade Milne-Parry from Fighting Lyons was the senior player this year. Presley Johnson from Tans Currumbin was the Junior Player. We had 4 Poomse competitor awards.

I hope you enjoy this publication and I look forward to seeing you again next May for the 7<sup>th</sup> Gold Coast Open.

Yours in Taekwondo

*Michael Tan*

## Event History

### Tan's Open 1 - 17

The Gold Coast Open has grown to be one of the largest Taekwondo competitions in Australia. Organised by Tan's Taekwondo the event has grown from a club championship to what it is today.

The 1<sup>st</sup> Tans invitational championship was held in 1992 at the Southport High School. Sparring, Poomse and Jump kick competition were held similar to the format we have today.

At the 7<sup>th</sup> Tans Open, New Zealand under the Taekwondo Union of New Zealand (TUNZ) entered for the first time. Various clubs and associations from NZ have returned every year since.

In 2008, the event was expanded to 2 days as we could no longer fit the program into one.

### The Gold Coast Open

In 2010, we announced a name change to represent the expansion of the competition. The Gold Coast Open, also promoted the region where it has made its home and reputation. How could we ever forget our friends from Ghana - Edem and Emmanuel who just turned up in 2011. Will they be here again? 2014 saw the expansion of electronics to all divisions except Yellow belt under 12 years.

The Gold Coast Open is proud of its reputation as the best run competition in Australia. Taking care of the small details makes a big difference. The Gold Coast Open is always held in mid May to take advantage of the great weather.

# Sparring

This year saw a return to our usual numbers. Some 357 players participated in sparring over the 2 days. We actually had 421 entries in sparring, as players could enter 2 divisions. The Black belt divisions were full of champions. We extended the daedo electronic PSS (Protector Scoring System) to include everyone except under 12 yellow belts. Scoring complaints were significantly reduced.

Separate cadet divisions of head kicks and non head kicks for Red and Blue belts were created. We also had separate Novice divisions for black belts 15 years and over. These additions were great for the safety of our developing players.

# Poomse

Our largest poomse event ever was held this year. A total of 156 competitors which represented 50% more than previous years. Poomse was split into WTF (official divisions) and Non WTF divisions.

For the first time we added freestyle poomse to music.

# Jump kick

72 Players over the 2 days provided some great entertainment during the lunch period in the Jump kick competition. On Saturday we saw some great jumps of over 2 ½ meters in the Open division. Most of the competitors were on Sunday in the junior divisions.

## Daedo - How does it Work?

“Electronics” are a must at today’s Taekwondo competition. The peace of mind for the players, coaches, officials and spectators is well worth the investment in technology.

The chest guard is embedded with sensors and efoot (socks) embedded with magnets. As the foot approaches the vest, the sensors anticipate the approaching magnet and register the impact and force of a blow, eliminating false readings from elbows or accidental contact. The chest guard, scores only kicks to the torso. Judges use wireless hand-held controllers to score head kicks, punches and extra point for turning type kicks. The system has to be fast (able to process up to four kicks per second), accurate and consume little power.

## Volunteers

Marshalling would not run smoothly without Jo & Steve Newmann. Ever since we have run competitions at Carrara, Jo and Steve have been the driving force behind the marshalling. Their ability to keep the courts flowing and handle the pressure of players and coaches attributes to the success of the competition

Dear Michael,

Thank you for hosting yet another great tournament. You're a gentleman that deserves all the respect. I'm happy that Master Issam Obeid and the state of NSW have formally acknowledged your contribution and commitment to hosting a respectable tournament.

Looking forward to being part of the of the Gold Coast Open 2016.

My 10yr old daughter Reyna thoroughly enjoyed her experience at your fantastic open event. Although she was beat in a close sparring contest she was over the moon to win a Gold Medal for her "High Kick"

**Compliments**
