Message from the Organiser

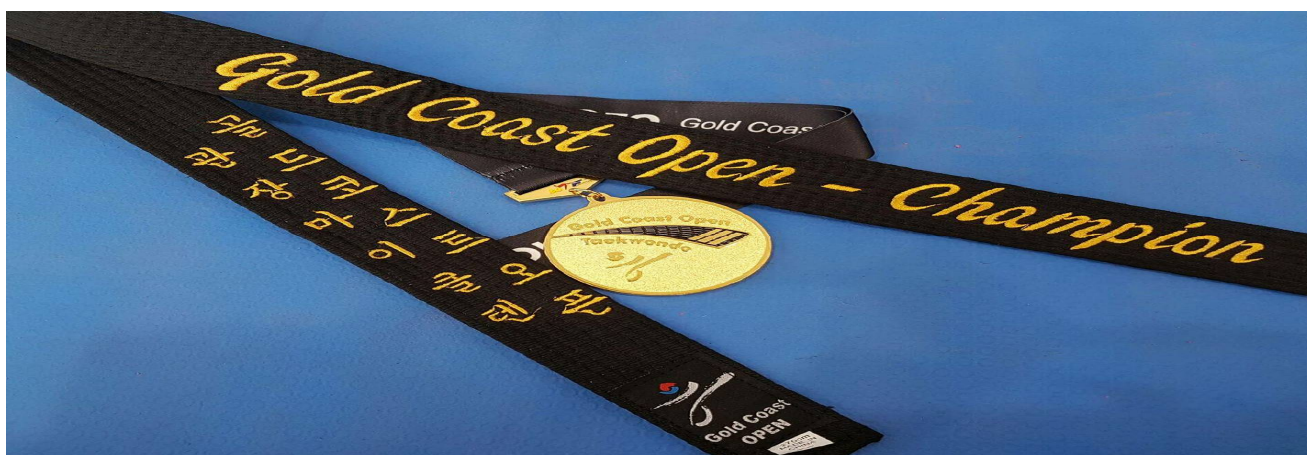

Our 6th eMagazine to celebrate another successful Gold Coast Open. A total of 531 competitors from all States of Australia participated at the 8th Mooto Gold Coast Open. For the first time we had to cap entries with no extension to the closing date. We did this to ensure we finished at a reasonable time. Once again our major sponsor Mooto provided all officials shirts for the event.

International, national and state champions from all over the country were back again. This year we had the privileged of having athletes from New Caledonia and Nepal. We also sponsored a number of referees from interstate to assist in the event.

I hope you enjoy this publication. Next year we will be on the 28 & 29th July due to the Commonwealth Games on the Gold Coast.

Yours in Taekwondo

Michael Tan

Tan's Open 1 - 17

The Gold Coast Open has grown to be one of the largest Taekwondo competitions in Australia. Organised by Tan's the event has grown from a club championship to what it is today.

The 1st Tans invitational championship was held in 1992 at the Southport High School. Sparring, Poomse and Jump kick competition were held similar to the format we have today.

At the 7th Tans Open, New Zealand under the Taekwondo Union of New Zealand (TUNZ) entered for the first time. Various clubs and associations from NZ have returned every year since.

In 2008, the event was expanded to 2 days as we could no longer fit the program into one.

The Gold Coast Open

In 2010, a name change was made to represent the expansion of the competition. The Gold Coast Open, also promoted the region where it has made its home and reputation. Every year we have clubs from all over Australia and internationally. 2014 saw the expansion of electronics to all divisions except Yellow belt under 12 years. 2017 saw the introduction of eHead gear. We also were one of the first events to use the new 120M Carrara Stadium.

The Gold Coast Open is proud of its reputation which sees clubs returning each year. Taking care of the small details makes a big difference. The Gold Coast Open is always held in mid May to take advantage of the great weather.

MOOTO AUSTRALIA

We are very honoured to have been sponsored by Mooto for this year's Gold Coast Open. Special thanks to Mooto Australia & NZ for making the sponsorship happen.

All 80 officials and volunteers were given a Mooto cool climate event Shirt as part of the sponsorship arrangement. So popular were the shirts they appeared at the Mooto Gangnam store prior to the event.

VOLUNTEERS

Thanks again to Jo & Steve Newmann. Ever since we have run competitions at Carrara, Jo and Steve have been the driving force behind the marshalling. Their ability to keep the courts flowing and handle the pressure of players and coaches attributes to the success of the competition. There were also a host of others who helped at setup, make lunches and served the front desk.

INAS Global Games
BRISBANE 2019

Taekwondo Included in the 2019 Inas Global Games Programme

INAS, the International Federation for sport for para-athletes with an intellectual disability included **taekwondo** as a demonstration sport in the **2015 Inas Global Games**.

The decision reflects **World Taekwondo**‘s ongoing commitment to making **taekwondo** accessible for all and follows an agreement signed between the two organisations earlier this year in June. As part of the agreement **WT** will increase its efforts to promote **taekwondo** for athletes with an intellectual disability throughout the world by working closely with its national federations to further develop the sport within those nations.

At the time, President of the **World Taekwondo**, **Chungwon Choue**, said: *“It is an honour for **para-taekwondo** to be included as a demonstration sport in the **2015 Inas Global Games**. **Inas** has done an excellent job in promoting sports for athletes with an intellectual disability for over twenty years and we are extremely excited about the opportunity to work with them. We look forward to learning from their vast experience and expertise in order to develop **para-taekwondo** further.”*

Inas was formed in 1985 and has grown to a membership of more than 65 nations across the world, representing many thousands of athletes with an intellectual disability. The **Inas Global Games**, held every four years, is the largest sporting event for elite athletes with an intellectual disability and features **World Championship Competition** in seven sports. The next **Global Games** will be held in **Brisbane Australia in October 2019**.
