### Tan's Open 1 - 17

The Gold Coast Open has grown to be one of the largest Taekwondo competitions in Australia. Organised by Tan's the event has grown from a club championship to what it is today.

The 1st Tans invitational championship was held in 1992 at the Southport High School. Sparring, Poomse and Jump kick competition were held similar to the format we have today.

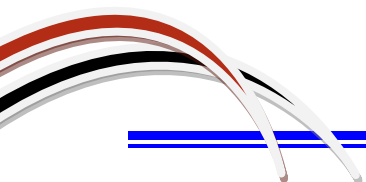

At the 7th Tans Open, New Zealand under the Taekwondo Union of New Zealand (TUNZ) entered for the first time. Various clubs and associations from NZ have returned every year since.

In 2008, the event was expanded to 2 days as we could no longer fit the program into one.

### The Gold Coast Open

In 2010, a name change was made to represent the expansion of the competition. The Gold Coast Open, also promoted the region where it has made its home and reputation. Every year we have clubs from all over Australia and internationally. 2014 saw the expansion of electronics to all divisions except Yellow belt under 12 years. In 2017 we were the first event to use the new 120M Carrara Stadium.

The Gold Coast Open is proud of its reputation which sees clubs returning each year. Taking care of the small details makes a big difference. The Gold Coast Open is always held in mid May to take advantage of the great weather.

## MOOTO AUSTRALIA

We are very honoured to have been sponsored by Mooto for the 4<sup>th</sup> year in a row. Special thanks to Mooto Australia & NZ for making the sponsorship happen.

With more than a decade of experience and knowledge each, coupled with their passion for Taekwondo, they aim to empower students with valuable life skills in a family friendly, safe and positive environment.

From the sports aspect of Taekwondo, Bryanna and Benecia bring with them a wealth of experience to the competition team, having competed for the past 12 years before retiring from competitions to focus on developing new and young athletes. Both have competed and medaled at multiple states and national championships, as well as represented Australia at various international championships including the world junior championships.

## Club Profile

Master Crkvencic believes in ongoing learning and is committed to continually gaining knowledge and expertise from the world's best masters in MA. In addition, he has been National Coach and represented at many overseas benchmark events and is a member of several National Boards.

### Club Profile

Cooktown Taekwondo Academy – Far North Queensland.

CTA was founded in 2015 and is sister-club to Flinn Taekwondo Academy in Brisbane. The club is owned and operated by Dan Hodgson in the small, very remote township of Cooktown on the Cape York Peninsula and runs training from the Gungarde Indigenous Corporation hall on Tuesday and Thursday nights.

With only a small group of student, around 20, we are very lucky to have the support of Ben and Joshua Flinn at FTA who make the 2000km journey for gradings and workshops and we also have a great community who have helped us to fundraise this year to bring 7 students and 2 parents down to the Gold Coast Open for 2019.

This year is a great opportunity for our players who have never even been to a competition to have a go in championship divisions and look toward WT in the future. With Cairns being the closest urban center, 350km south of us, coming to the Gold Coast to compete and get amongst the Taekwondo community is a huge deal for all of us.”
